Subject Index

Abdomen
acute abdominal compartment syndrome in the critically ill (Saggi et al), 1999;14:207 (Analytic review)
Acetaminophen
management of acetaminophen toxicity in the intensive care unit (Kuffner et al), 1999;14:157 (Analytic review)
Acidosis, lactic
fatal lactic acidosis and hepatic steatosis due to combination nucleoside analog therapy for HIV infection (Shapiro and Braun), 1999;14:275 (Case report)
Administration, inhalation
bronchodilator aerosol delivery in mechanical ventilation (Jantz and Collop), 1999;14:166 (Analytic review)
Aerosol delivery; *see* **Administration, inhalation**
Aged
impact of age and medical comorbidities on the outcome following severe trauma (Cullinane and Morris), 1999;14:86 (Analytic review)
Anemia
bloodless medicine and surgery (Savarese et al), 1999;14:20 (Analytic review)
ethical and legal implications of bloodless medicine and surgery (Clay), 1999;14:34 (Analytic review)
Antibiotics
enterococcal infection in the ICU: at the precipice of a postantibiotic era (Linden), 1999;14:59 (Editorial)
enterococcal infections: resistance mechanisms, treatment strategies, and hospital issues (Ostrowsky and Eliopoulos), 1999;14:62 (Analytic review)
Antihypertensive agents
clonidine: applications in the pediatric neurosurgical patient (Tobias), 1999;14:200 (Case report)
Blood gas monitoring, transcutaneous
catheterization of the internal jugular vein for jugular bulb oxygen saturation monitoring after brain injury (Fandino and Stocker), 1999;14:279 (Techniques and procedures)
Blood transfusion
bloodless medicine and surgery (Savarese et al), 1999;14:20 (Analytic review)
ethical and legal implications of bloodless medicine and surgery (Clay), 1999;14:34 (Analytic review)
Bone
glucocorticoid osteoporosis (Reid), 1999;14:231 (Analytic review)
Book reviews
Anesthesia and Transplantation, edited by Sharpe and Gelb (Lisbon), 1999;14:293
Atlas of Heart Failure: Cardiac Function and Dysfunction. 2nd ed., edited by Colucci and Braunwald (Markowitz), 1999;14:154

Copyright © 1999 Blackwell Science, Inc.

Cardiovascular Disease in the Octogenarian and Beyond, edited by Wenger (Pape), 1999;14:249
Complications in Trauma and Critical Care, edited by Maull et al (Bankey), 1999;14:204
Coronary Stenting: Current Perspectives, edited by Kutryk and Serruys (Ammar and Lopez), 1999;14:292
Critical Care of Infants and Children, edited by Todres and Fugate (Wood), 1999;14:204
Critical Care Medicine: Perioperative Management, edited by Murray et al (Panza and Nasraway), 1999;14:154
Mechanical Ventilation Manual, edited by Raoof and Khan (Markowitz), 1999;14:249
Surgical Management of Abdominal Wall Hernias, edited by Kurzer et al (Kelly), 1999;14:293
Traumatic Brain Injury, edited by Marion (Andrews), 1999;14:292

Brain injuries
catheterization of the internal jugular vein for jugular bulb oxygen saturation monitoring after brain injury (Fandino and Stocker), 1999;14:279 (Techniques and procedures)

Bronchodilator agents
bronchodilator aerosol delivery in mechanical ventilation (Jantz and Collop), 1999;14:166 (Analytic review)

Carboxyhemoglobin
carboxyhemoglobin levels as a predictor of mortality in acute respiratory failure (Nathanson and Mohsenifar), 1999;14:148 (Original research)

Cardiopulmonary resuscitation
Gilgunn case: courage and questions (Orr), 1999;14:54 (Editorial)
use of a DNR order over family objections: the case of *Gilgunn v. MGH* (Paris et al), 1999;14:41 (Case report)

Catheterization
catheterization of the internal jugular vein for jugular bulb oxygen saturation monitoring after brain injury (Fandino and Stocker), 1999;14:279 (Techniques and procedures)
hemodynamic waveform detection from pulmonary artery catheters in the ICU (Oropello et al), 1999;14:46 (Report of a large series)

Child
clonidine: applications in the pediatric neurosurgical patient (Tobias), 1999;14:200 (Case report)
ethical issues surrounding limitation and withdrawal of support in the pediatric intensive care unit (Vose and Nelson), 1999;14:220 (Analytic review)
helium administration during mechanical ventilation in children with respiratory failure (Michael et al), 1999;14:140 (Analytic review)
is hypertonic saline an effective alternative to mannitol in the treatment of elevated intracranial pressure in pediatric patients? (Vats et al), 1999;14:184 (Analytic review)
noise in the pediatric intensive care unit (Berens), 1999;14:118 (Analytic review)

Cholangiopancreatography, endoscopic retrograde
role of ERCP in gallstone pancreatitis (Mergener and Baillie), 1999;14:74 (Analytic review)

Cholelithiasis
role of ERCP in gallstone pancreatitis (Mergener and Baillie), 1999;14:74 (Analytic review)

Clinical trials
outcomes-based approach to ventilatory management: review of two examples (Brook and Kollef), 1999;14:262 (Analytic review)

Clonidine
clonidine: applications in the pediatric neurosurgical patient (Tobias), 1999;14:200 (Case report)

Coma
Hanniset™ external ventricular pressure transducer and drainage system: experimental and clinical evaluation (Morgalla et al), 1999;14:243 (Techniques and procedures)

Comorbidity
impact of age and medical comorbidities on the outcome following severe trauma (Cullinane and Morris), 1999;14:86 (Analytic review)

Compartment syndromes
acute abdominal compartment syndrome in the critically ill (Saggi et al), 1999;14:207 (Analytic review)

Computers
intensivists guide to the medical Internet: part I (Markovitz), 1999;14:291 (Electronic journals and resources)
Y2K (Markovitz), 1999;14:248 (Electronic journals and resources)

Coronary disease
perioperative risk stratification in patients undergoing noncardiac surgery (Kloehn and O'Rourke), 1999;14:95 (Analytic review)

Cross infection
enterococcal infection in the ICU: at the precipice of a postantibiotic era (Linden), 1999;14:59 (Editorial)
enterococcal infections: resistance mechanisms, treatment strategies, and hospital issues (Ostrowsky and Eliopoulos), 1999;14:62 (Analytic review)

Death
carboxyhemoglobin levels as a predictor of mortality in acute respiratory failure (Nathanson and Mohsenifar), 1999;14:148 (Original research)
ethical issues surrounding limitation and withdrawal of support in the pediatric intensive care unit (Vose and Nelson), 1999;14:220 (Analytic review)
fatal lactic acidosis and hepatic steatosis due to combination nucleoside analog therapy for HIV infection (Shapiro and Braun), 1999;14:275 (Case report)
palliative care in the intensive care unit: part I (Nelson and Meier), 1999;14:130 (Analytic review)
palliative care in the intensive care unit: part II (Nelson and Meier), 1999;14:189 (Analytic review)

DNR order; *see* **Resuscitation orders**

Drug resistance, microbial
enterococcal infection in the ICU: at the precipice of a postantibiotic era (Linden), 1999;14:59 (Editorial)

enterococcal infections: resistance mechanisms, treatment strategies, and hospital issues (Ostrowsky and Eliopoulos), 1999;14:62 (Analytic review)

Elderly; *see* **Aged**

Enterococcus

enterococcal infection in the ICU: at the precipice of a postantibiotic era (Linden), 1999;14:59 (Editorial)

enterococcal infections: resistance mechanisms, treatment strategies, and hospital issues (Ostrowsky and Eliopoulos), 1999;14:62 (Analytic review)

ERCP; *see* **Cholangiopancreatography, endoscopic retrograde**

Ethics

ethical and legal implications of bloodless medicine and surgery (Clay), 1999;14:34 (Analytic review)

ethical issues surrounding limitation and withdrawal of support in the pediatric intensive care unit (Vose and Nelson), 1999;14:220 (Analytic review)

Gallstones; *see* **Cholelithiasis**

Gastrointestinal hemorrhage

stress ulcer prophylaxis: a practical approach (Marik), 1999;14:1 (Analytic review)

stress ulcer prophylaxis in the ICU: how much is enough (Varon and Fromm), 1999;14:52 (Editorial)

Glucocorticoids

glucocorticoid osteoporosis (Reid), 1999;14:231 (Analytic review)

Hanniset™ probe

Hanniset™ external ventricular pressure transducer and drainage system: experimental and clinical evaluation (Morgalla et al), 1999;14:243 (Techniques and procedures)

Hearing loss

noise in the pediatric intensive care unit (Berens), 1999;14:118 (Analytic review)

Helium

helium administration during mechanical ventilation in children with respiratory failure (Michael et al), 1999;14:140 (Analytic review)

Hemodynamics

hemodynamic waveform detection from pulmonary artery catheters in the ICU (Oropello et al), 1999;14:46 (Report of a large series)

Hepatic steatosis; *see* **Liver diseases**

HIV

fatal lactic acidosis and hepatic steatosis due to combination nucleoside analog therapy for HIV infection (Shapiro and Braun), 1999;14:275 (Case report)

Hypertonic saline solution; *see* **Saline solution, hypertonic**

Infection

enterococcal infection in the ICU: at the precipice of a postantibiotic era (Linden), 1999;14:59 (Editorial)

enterococcal infections: resistance mechanisms, treatment strategies, and hospital issues (Ostrowsky and Eliopoulos), 1999;14:62 (Analytic review)

Injury severity score

injury severity scoring (Osler et al), 1999;14:9 (Analytic review)

Intensive care units, pediatric

noise in the pediatric intensive care unit (Berens), 1999;14:118 (Analytic review)

Internet

intensivists guide to the medical Internet: part I (Markovitz), 1999;14:291 (Electronic journals and resources)

Y2K (Markovitz), 1999;14:248 (Electronic journals and resources)

Intracranial pressure

Hanniset™ external ventricular pressure transducer and drainage system: experimental and clinical evaluation (Morgalla et al), 1999;14:243 (Techniques and procedures)

is hypertonic saline an effective alternative to mannitol in the treatment of elevated intracranial pressure in pediatric patients? (Vats et al), 1999;14:184 (Analytic review)

Ischemia

perioperative risk stratification in patients undergoing noncardiac surgery (Kloehn and O'Rourke), 1999;14:95 (Analytic review)

Jugular veins

catheterization of the internal jugular vein for jugular bulb oxygen saturation monitoring after brain injury (Fandino and Stocker), 1999;14:279 (Techniques and procedures)

Lactic acidosis; *see* **Acidosis, lactic**

Legal issues

ethical and legal implications of bloodless medicine and surgery (Clay), 1999;14:34 (Analytic review)

Gilgunn case: courage and questions (Orr), 1999;14:54 (Editorial)

use of a DNR order over family objections: the case of *Gilgunn v. MGH* (Paris et al), 1999;14:41 (Case report)

Life support care

ethical issues surrounding limitation and withdrawal of support in the pediatric intensive care unit (Vose and Nelson), 1999;14:220 (Analytic review)

Liver diseases

fatal lactic acidosis and hepatic steatosis due to combination nucleoside analog therapy for HIV infection (Shapiro and Braun), 1999;14:275 (Case report)

Liver transplantation

indications for and timing of liver transplantation (Schluger and Klion), 1999;14:109 (Analytic review)

Malpractice

ethical and legal implications of bloodless medicine and surgery (Clay), 1999;14:34 (Analytic review)

Mannitol

is hypertonic saline an effective alternative to mannitol in the treatment of elevated intracranial pressure in pediatric patients? (Vats et al), 1999;14:184 (Analytic review)

Mechanical ventilation; *see* **Respiration, artificial**

Mortality; *see* **Death**

Noise

noise in the pediatric intensive care unit (Berens), 1999;14:118 (Analytic review)

Nucleosides
fatal lactic acidosis and hepatic steatosis due to combination nucleoside analog therapy for HIV infection (Shapiro and Braun), 1999;14:275 (Case report)
Osteoporosis
glucocorticoid osteoporosis (Reid), 1999;14:231 (Analytic review)
Outcomes assessment
how and how much can the organization of critical care services influence patient outcome? (Hall), 1999;14:251 (Editorial)
impact of intensivists and ICU teams on patient outcomes (Hanson and Aranda), 1999;14:254 (Analytic review)
outcomes-based approach to ventilatory management: review of two examples (Brook and Kollef), 1999;14:262 (Analytic review)
Overdose
management of acetaminophen toxicity in the intensive care unit (Kuffner et al), 1999;14:157 (Analytic review)
Oxygen
catheterization of the internal jugular vein for jugular bulb oxygen saturation monitoring after brain injury (Fandino and Stocker), 1999;14:279 (Techniques and procedures)
Palliative treatment
palliative care in the intensive care unit: part I (Nelson and Meier), 1999;14:130 (Analytic review)
palliative care in the intensive care unit: part II (Nelson and Meier), 1999;14:189 (Analytic review)
Pancreatitis
role of ERCP in gallstone pancreatitis (Mergener and Baillie), 1999;14:74 (Analytic review)
Patient care planning
how and how much can the organization of critical care services influence patient outcome? (Hall), 1999;14:251 (Editorial)
impact of intensivists and ICU teams on patient outcomes (Hanson and Aranda), 1999;14:254 (Analytic review)
Patient outcome; *see* **Outcomes assessment**
Pediatrics; *see* **Child**
Percutaneous dilational tracheostomy; *see* **Tracheostomy**
Poisoning
management of acetaminophen toxicity in the intensive care unit (Kuffner et al), 1999;14:157 (Analytic review)
Pulmonary artery
hemodynamic waveform detection from pulmonary artery catheters in the ICU (Oropello et al), 1999;14:46 (Report of a large series)
Respiration, artificial
bronchodilator aerosol delivery in mechanical ventilation (Jantz and Collop), 1999;14:166 (Analytic review)
helium administration during mechanical ventilation in children with respiratory failure (Michael et al), 1999;14:140 (Analytic review)
outcomes-based approach to ventilatory management: review of two examples (Brook and Kollef), 1999;14:262 (Analytic review)
Respiratory insufficiency
carboxyhemoglobin levels as a predictor of mortality in acute respiratory failure (Nathanson and Mohsenifar), 1999;14:148 (Original research)
helium administration during mechanical ventilation in children with respiratory failure (Michael et al), 1999;14:140 (Analytic review)
Resuscitation orders
Gilgunn case: courage and questions (Orr), 1999;14:54 (Editorial)
use of a DNR order over family objections: the case of *Gilgunn v. MGH* (Paris et al), 1999;14:41 (Case report)
Risk management
perioperative risk stratification in patients undergoing noncardiac surgery (Kloehn and O'Rourke), 1999;14:95 (Analytic review)
Saline solution, hypertonic
is hypertonic saline an effective alternative to mannitol in the treatment of elevated intracranial pressure in pediatric patients? (Vats et al), 1999;14:184 (Analytic review)
Stomach ulcer
stress ulcer prophylaxis: a practical approach (Marik), 1999;14:1 (Analytic review)
stress ulcer prophylaxis in the ICU: how much is enough (Varon and Fromm), 1999;14:52 (Editorial)
Stress, psychological
stress ulcer prophylaxis: a practical approach (Marik), 1999;14:1 (Analytic review)
stress ulcer prophylaxis in the ICU: how much is enough (Varon and Fromm), 1999;14:52 (Editorial)
Terminal care
palliative care in the intensive care unit: part I (Nelson and Meier), 1999;14:130 (Analytic review)
palliative care in the intensive care unit: part II (Nelson and Meier), 1999;14:189 (Analytic review)
Tracheostomy
bedside video-assisted percutaneous dilational tracheostomy (Trujillo et al), 1999;14:151 (Techniques and procedures)
Transducers, pressure
Hanniset™ external ventricular pressure transducer and drainage system: experimental and clinical evaluation (Morgalla et al), 1999;14:243 (Techniques and procedures)
Transplantation
indications for and timing of liver transplantation (Schluger and Klion), 1999;14:109 (Analytic review)
Trauma; *see* **Wounds and injuries**
Treatment refusal
ethical and legal implications of bloodless medicine and surgery (Clay), 1999;14:34 (Analytic review)
Gilgunn case: courage and questions (Orr), 1999;14:54 (Editorial)
use of a DNR order over family objections: the case of *Gilgunn v. MGH* (Paris et al), 1999;14:41 (Case report)

Ulcer
stress ulcer prophylaxis: a practical approach (Marik), 1999;14:1 (Analytic review)
stress ulcer prophylaxis in the ICU: how much is enough (Varon and Fromm), 1999;14:52 (Editorial)
Video
bedside video-assisted percutaneous dilational tracheostomy (Trujillo et al), 1999;14:151 (Techniques and procedures)
World Wide Web
intensivists guide to the medical Internet: part I (Markovitz), 1999;14:291 (Electronic journals and resources)
Y2K (Markovitz), 1999;14:248 (Electronic journals and resources)
Wounds and injuries
impact of age and medical comorbidities on the outcome following severe trauma (Cullinane and Morris), 1999;14:86 (Analytic review)
injury severity scoring (Osler et al), 1999;14:9 (Analytic review)
Y2K
Y2K (Markovitz), 1999;14:248 (Electronic journals and resources)
